Tonight we turn our attentions once again to the Littlewoods Cup, with tonight's visitors Swindon Town. A fortnight ago down at the County Ground we fought out a terrific 3-3 draw and the game this evening promised to be just as exciting with Ossie Ardiles' side in fine form at the moment.

Ossie seems to have settled in very quickly at Swindon and what impressed me was the way in

which he has encouraged his side to play fast flowing football, they look to be in for a good season but it's our job tonight to try to put them out of one Cup competition.

Cup matches as we all know are one off affairs and with the biggest gate of the season expected tonight, you can once again play your part with your tremendous vocal support. Even though we haven't managed to take advantage of our last two home games, we are still up there in the top three with everything to play for.

Hopefully tonight a couple of the injured lads will be available for selection giving us a couple more options, as I have stressed before it is a team game and we have proved already this season against Blackburn and Watford that we have a side that can compete well against opposition from a higher division.

We always take one game at a time, but it would be great for everybody at the Club, especially the fans if we can get through to the fourth round with Southampton waiting in the wings. The supporters have travelled hundreds of miles in recent weeks supporting the lads and it really does make a difference, so we shall endeavour to reward them tonight with the home tie 'n the next round.

Enjoy the game. I am sure it's going to be a good advertisement for football with two sides striving to play an open attractive game.

PROFESSIONAL FOOTBALLERS SAY NO TO ID CARD SCHEME

Professional footballers made plain their opposition to The Government's Football Spectators Bill last Monday, when a petition representing the 2,000 full-time professional players in the country was delivered to The House of Commons.

A PFA deputation, led by Mr. Gordon Taylor, presented the petition against the proposed Football Spectators Bill to a delegation of M.P.s from all parties.

Last week the football supporters organisations delivered the final instalment of their own 400,000 plus petition, against the proposed National Membership Scheme, to M.P.s.

The Football Spectators Bill received its Third Reading in The House of Commons last Monday.

SANDFORD HEADS UP NEW MANAGEMENT STRUCTURE AT THE FOOTBALL LEAGUE

The Football League last week appointed Arthur Sandford as their Chief Executive. This is a newly created role within a revised management structure at the League which will see Mr. Sandford working alongside President, William Fox.

The Chief Executive will oversee both the League administration based at Lytham St. Annes, under Secretary, David Dent, and the Commercial and Marketing Department, located at Wembley Conference Centre, under Commercial Director, Trevor Phillips.

Mr. Sandford, who made his first visit to League headquarters during the week, expects to take up his appointment in February, 1990.

SWINDON TOWN

We welcome the players, officials and supporters of Swindon Town to Burnden park for this evening's third round replay. With the prospect of a home tie against Southampton for the winners, hopefully our biggest home crowd of the season so far should witness a thrilling game.

This competition holds special

memories for Swindon Town, who were winners of the Football League Cup, as it was then known, in the 1968-69 season. As a Third Division club Swindon beat Arsenal 3-1 after extra time in the final at Wembley. The brilliant Don Rogers, Swindon's favourite son, scored two goals on that memorable afternoon before a crowd of 98,189.

Swindon have enjoyed a period of great success over the past few years, manager Lou Macari guiding the club from the depths of the Fourth Division to the brink of the First Division in the last five years. Swindon qualified for the end of season play offs but went down 2-1 on aggregate to Crystal Palace in the Semi Finals in May, and over the summer Macari decided to pursue his managerial career elsewhere, moving to West Ham United.

Macari's successor at the County Ground is Ossie Ardiles, the brilliant Argentinian International who enjoyed such a successful career with Spurs. This is Ardiles' first taste of management. He is assisted by Chic Bates, the former Shrewsbury Town manager, and Andy Rowland, the former Bury striker who recently celebrated ten years service at Swindon as player and coach. Youth team manager is the long serving John Trollope MBE, a veteran of 770 League matches for Swindon and a member of Swindon's cup winning side in 1969.

Swindon got through to the third round of this competition by virtue of a 6-1 aggregate win over Shrewsbury Town. Goals by McLoughlin (2) and Shearer earned a 3-0 win at

Gay Meadow and in the second leg at the County Ground goals by Shearer and White (2) ensured a comfortable 3-1 win. Swindon have been in high scoring form of late—they had scored 3 goals in each of their previous four home games prior to the Wanderers' visit a fortnight ago—and as well as continuing to make progress in the League will fancy their chances of a good cup run.

Last season he was in outstanding form, completing a century of League appearances and being the only Swindon player to be ever present. **David Hockaday** was one of the club's most consistent performers during their rise from the Fourth to Second Division. A former Blackpool player, he moved to the County Ground in August 1983, has successfully converted from a winger to the full back position, and has played in over 400 senior games. **Phil King** is a talented young full back who spent the early part of his career with Exeter and Torquay. March 1987 and has since made over a hundred appearances for his new club.

Alan McLoughlin, another former Manchester United apprentice, joined Swindon in August 1986. Having converted from a full back to midfield, he spent two periods on loan to Torquay before establishing a regular first team place at Swindon in the second half of last season. Club captain **Colin Calderwood** has been a tower of strength in the centre of Swindon's defence since his transfer from Mansfield in June 1985. He was an everpresent in each of Swindon's promotion seasons of 1985-86 and 1986-87. **Jon Gittens** is a former Southampton player who joined Swindon in July 1987. The Birmingham born central defender's appearances were limited last season due to suspensions. **Tim Parkin** is a consistent defender formerly with Blackburn, Malmo (Sweden), and Bristol Rovers, who proved a shrewd signing in July 1986. Penrith born, he has made over 350 senior appearances.

Ross MacLaren was signed from Derby County for a tribunal-fixed fee of £150,000 in the summer of 1988. Edinburgh born, he established himself as a talented member of Shrewsbury's side after being released from his first club, Glasgow Rangers, before moving on to Derby in 1985, where Wanderers' Jeff Chandler was

one of his team-mates. **Paul Bodin** is a Cardiff born utility player formerly with Cardiff, Bath City and Newport County. He moved to Swindon in March 1988. **Duncan Shearer**, a former Chelsea striker, proved a most consistent marksman with his second club Huddersfield, scoring 49 goals in 94 senior games. The Scottish born player was Swindon's record buy, for £250,000 in June 1988, and in his first season at the County Ground he finished top scorer with 16 goals in League and Cup games.

Steve White has been a consistent goalscorer throughout his career with 130 goals in around 400 senior games up to the start of this season. Having begun his professional career with Bristol Rovers, he was transferred to Luton for £200,000 in 1979 and on to Charlton for £150,000 in 1982. He returned to Bristol Rovers in 1983 and after a further three seasons was surprisingly given a free transfer. He has proved to be one of Swindon's best ever acquisitions. **Fitzroy Simpson**

is a Trowbridge born midfielder player who came up through the junior sides at the County Ground and broke into first team contention last season.

Tom Jones joined Swindon from Scottish Premier League side Aberdeen in 1988. A former Chelsea apprentice, the talented midfielder was snapped up by the Dons from non league Weymouth in 1987. **Paul Hunt** is a diminutive striker whose consistent goalscoring displays in the Swindon youth sides recently earned him his League debut for his hometown club. **John Cornwell** is a versatile player, equally at home in defence or midfield. He ended six seasons at Leyton Orient by moving to Newcastle in July 1987 and joined Swindon for £60,000 in December 1988.

MATCH REPORT

PENSIONERS ON THE MARCH

CHELSEA's Kerry Dixon is back to his old form, according to his strike partner Kevin Wilson. Two goals apiece last Saturday shot the 'Pensioners' to pole position in DIVISION ONE and demolished visitors MILLWALL, 4-0.

Surprisingly LIVERPOOL lost 1-0 at home to COVENTRY leaving manager Kenny Dalglish fuming. Champions ARSENAL had to come from two goals behind against NORWICH at Highbury to eventually clinch a 4-3 victory in the last minute.

Ron Atkinson's SHEFFIELD WEDNESDAY scored their first away goal of the season at NOTTS. FOREST and it came from the

opposition in the 80th minute to earn the Owls three valuable points as they fight to get clear of bottom position.

Two goals in the 64th and 68th minute sent MANCHESTER UNITED home pointless from CHARLTON but MANCHESTER CITY had better success at Maine Road by defeating Steve Coppell's CRYSTAL PALACE, 3-0.

EVERTON and ASTON VILLA produced an eight goal thriller for TV's watching millions in The Match. Graham Taylor's young Villa side went into a six goal lead before Everton made the scoreline look that little bit more respectable during the last seven minutes.

In DIVISION TWO, tonight's visitors SWINDON ran riot over STOKE scoring six without reply. Young Irish midfielder Alan McLoughlin had a particularly outstanding game. LEEDS' recent successful run has brought the crowds flocking back to Elland Road. Over 26,000 turned up to witness the 3-0 execution of BOURNEMOUTH and they now share the leadership along with SHEFFIELD UNITED. JOE ROYLE'S OLDHAM put the skids under SUNDERLAND at Boundary Park with a narrow 2-1 victory to keep themselves up with the challengers. BLACKBURN too got back to winning ways at BRIGHTON also with a 2-1 margin.

The Third Dimension

At Burnden Park SWANSEA denied BOLTON a victory that would have taken Phil Neal's men to the top of the League. The 0-0 scoreline extended Bolton's unbeaten run at home to 25 games but Mr. Neal will no doubt have been disappointed not to have secured maximum points. Chances at both ends were few and far between and for long periods. Dave Felgate's main concern was keeping warm. BRISTOL CITY did however take the initiative at WALSALL scoring a 2-0 victory which leap-frogged them to the top. BLACKPOOL'S visit to BRISTOL ROVERS earned them a 1-1 draw and this denied Rovers pole position—it's as tight as that. Struggling BRENTFORD failed to hold TRANMERE at Griffin Park and Tranmere's 4-2 victory put them back in the promotion hunt. Rotherham too keep on the fringe after picking up maximum points at NORTHAMPTON. At Gresty Road CHESTER scored a well earned victory over lively HUDDERSFIELD and WIGAN had a narrow, but thankful 1-0 home win at the hands of CREWE.

As the scene stands at present just three points separate the top seven teams.

A quick glance in the FOURTH highlights ROCHDALE's creditable 3-1 away win at HEREFORD with former Bolton striker, Steve Elliott notching two goals.

CLOSED CIRCUIT TELEVISION

The first televised football match, 1937

Now every Football League ground is equipped with television cameras.

The Football Trust has installed Closed Circuit Television systems at more than 110 British grounds. The cameras have a range of 150 metres and immediate close-up prints can be produced. Within minutes of an incident offenders can be identified and arrested with film made available as evidence in court. CCTV is the most effective anti-hooligan measure inside football grounds and the programme has been extended to include portable systems.

CCTV is only one of The Football Trust's many initiatives. Each year it receives over £9.5 million from the Spotting-the-Ball competition run by Littlewoods, Vernons and Zettlers and spends it on projects that benefit all levels of the game throughout the United Kingdom.

Dear Mr. Jones,
Leyland DAF Cup

We are fast approaching the games in the preliminary rounds of the above competition. Whilst sponsorship is an integral part of sport today, and football is no exception, many supporters are both concerned and confused at ever changing names of the competitions for which their clubs are competing.

I would like to think that through your match programmes, you can reassure your supporters that the Leyland DAF Cup is continuity to the previous well established Freight

Rover/Sherpa Van Trophies. This particular change has been necessary as a result of developments within our Company and our change in ownership and title.

Our overall objectives of promoting our Company and its products remain unchanged. Our belief that Football is still the National Sport of the U.K. and deserving of support is unchanged. We have, through co-operation with the Football League, promoted this competition for Associate members, as the friendly competition with the Wembley Final designated a major Family Final. Indeed, the attendance at the 1988 final of in excess of 80,000 people, which was 10,000 more than the previous week's England/Scotland International, gives the answer to that small minority of media who had labeled the competition as unnecessary.

Good luck in your endeavours to reach Wembley on the 20th May 1990 and I hope to have the opportunity to visit your ground in the near future.

Yours sincerely,
Rory O'Connor
Director-UK Sales
Leyland DAF

P.S. As holders I'm sure you will defend with enthusiasm.

*Hit Bolton's winner
at Birmingham*

1891—The Wanderers inflicted Accrington's first home defeat of the season when they went over the Moors and won 3-0 thanks to a couple of goals from Jim Munro and one from John McNee. This was Bolton's sixth consecutive League win and was revenge for Accrington's win at Pikes Lane six weeks earlier.

1914—Bolton's poor League run continued when they went down 2-1 at Chelsea. George Lillycrop became the first Wanderer to find the net for four games but the Londoners hit back to win the points.

1925—A 75th minute goal from Jack Baggett gave Bolton the points from their visit to Birmingham. A debut was given to local find Ernie Thornborough who had been secured from Halliwell United before progressing through the clubs reserve sides.

1931—The Wanderers fell behind to a 20th minute goal from Vinall against Sunderland at Burnden but hit back to take the points with two goals from Harold Blackmore and one from Billy Butler.

1936—Despite being down to ten men after only five minutes,

when they lost centre half Jack Hurst through injury, the Wanderers held a half time lead against Middlesbrough at Burnden. Don Howe was the scorer but the North Easterners turned the tables during the second half when George Camsell netted a hat trick.

1953—Portsmouth were hit for six at Burnden with Harold Hassall hitting the target three times, once from the penalty spot, Nat Lofthouse scored twice with Doug Holden getting into the act.

1959—After recent wins at Chelsea and Newcastle the Wanderers kept up their impressive away form with a 2-0 win over Tottenham at White Hart Lane thanks to goals from Dennis Stevens and Ray Parry.

1964—Bolton began a run of five consecutive League wins by defeating Derby County 3-1 at Burnden. Goal twins Francis Lee and Wyn Davies struck again with Brian Bromley hitting the third.

1987—A goal from John Thomas was enough to secure the points against fellow Fourth Division promotion rivals Leyton Orient at Burnden.

**"Let's just
hope we get
a repeat
performance
tonight."**

Tonight as well as being our third home game in seven days, it is the one most supporters have been waiting for. The game at Swindon a fortnight ago was to say the least brilliant, with two sides giving everything on the night; let's just hope we get a repeat performance tonight.

Talking to a number of fans who travelled down to the County Ground at Swindon they had nothing but praise for the Police who they said 'treated them very well, giving help and advice, even sharing a friendly joke.' Now that's really good to hear; well done to the Police in Wiltshire.

Ossie Ardiles, the Swindon manager, came up to Bolton last Tuesday for the visit of Walsall. In fact as we all know the game was something of an anti-climax, which was disappointing especially as it was the biggest home game of the season to date. Ossie seems to be doing a fine job since taking over from Lou Macari in the summer; the former Tottenham star has certainly got his players playing with skill and spirit, an ingredient Ossie always had in his game.

It should be quite interest-

ing tonight with the various radio reports, with one of our local radio stations being GMR and one of Swindon's being GWR; doesn't sound much in it really, let's just hope they don't get their wires crossed!

I must admit to being very impressed with coverage from GMR this season. The second half coverage of a local game has been excellent and overall their coverage of sport is first class, especially so mid week games when fans can't always travel long distances to support their team.

Finally, I would just like to thank all the programme contributors for their efforts over the past week or so. It's never easy producing two programmes in a week—never mind three—but their time and work is greatly appreciated by the Club.

So enjoy the game tonight. Get behind the lads and let's see another cracker with the attractive carrot of a home tie against First Division Southampton awaiting the winners

Two goals in the final six minutes by Wolves ended any Bolton hopes of recording their first home success of the season.

Bolton's home performances of late have been lukewarm in comparison to those on their travels and against Wolves they came up against a five man defence determined to give little away.

Bolton had a let off in the 28th minute when Andy Thompson blasted a penalty high over the bar and onto the Great Lever stand after Mark Came had handled a left wing cross.

It wasn't until the latter stages of the first half that Vince Bartram in the Wolves goal was tested, Ian Stevens turned swiftly onto a Jeff Chandler pass and Bartram managed to turn the shot around the post.

Bolton finally got the better of the Wolves sweeper system in the 68th minute. Mike Jeffrey put Darren Mason through to run half the length of the field, shrugging off challenge, before seeing his shot parried by Bartram. Neil Fisher was on hand to collect the rebound and he netted despite the attentions of a defender on the goal-line.

Further chances fell the way of Ian Stevens, two within the space of a minute, when he had only the 'keeper to beat, but on each occasion his shot was off target.

Six minutes from time Bolton's defence was caught napping, and substitute Colin Taylor ran through to equalise with a shot from twelve yards.

Disaster struck for Bolton in injury time when centre forward John Paskin forced the ball home from close range to secure the points for Wolves.

Team: Gray, Hughes, Oliver, Spooner, Came, Stubbs, Fisher, Mason, Stevens, Jeffrey, Chandler.
Subs: Brookman for Fisher, Bentham.

Tomorrow evening the reserves entertain Wigan Athletic at Burnden with a 7.00 p.m. kick-off.

COLIN WALDRON *Ex Burnley*

It was whilst playing in a successful Bury Youth team of the sixties that Colin Waldron was reckoned to have a colourful career in the game. Colin recalled, "We had reached the semi-final of the F.A. Youth Cup in 1966 before being KO'd by Sunderland in front of 11,000 spectators at Gigg Lane."

The following season Colin broke through into the first team and in only his second appearance had to face Wyn Davies & Co as Bolton visited Bury. Reflecting Colin said, "It was a full house and we managed to win 2-1," but it was he who gave away Bolton's goal. He said "I completely mis-timed a tackle on Francis Lee and they went away and scored. Wyn Davies, for me, was the highest leaper to a ball I've known but usually I did quite well against him."

Colin does however remember once being given the run around by someone much less in stature than Wyn and that was former Manchester City manager, Ron Saunders in the twilight of his career. Colin said, "He was a mere 5' 6" but scored three against me for Charlton and two were headers. I was raw and him experienced but it was a great lesson in my up-bringing."

After only 16 games with Bury, Colin was snapped up by Tommy Docherty at Chelsea for £35,000. He said, "It was a choice between Chelsea or Liverpool, but Bill Shankly told me I'd have to spend two years in the reserves and Doc said I would be

in his team quicker and he kept his word. But I sank. He persevered though but after 9 or 10 games he realised I was out of my depth and I was dropped. Tommy got sacked shortly after and it was then Burnley took me back North."

Burnley were in the First Division under the leadership of controversial chairman Bob Lord. Colin said, "Bob Lord had a homely Club but he was a total dictator and I crossed swords with him on a couple of occasions but you had to admire him really because he'd been successful at it."

By the time Colin Waldron was 21 he and Colin Bell had formed a partnership in the catering business and opened a restaurant at Whitefield—the Bell Waldron. He said, "We were both bachelors, had money in the bank from our various transfers and we chose food as our business future."

After 10 seasons at Turf Moor Colin was given a 'free' with a certain degree of politics involved and he rejoined Tommy Docherty who was now at Manchester United where he spent one season before moving to Sunderland under another former manager in Jimmy Adamson.

Nowadays Colin is busy working in his Burnley Betting Shop. In concluding, he spoke of today's game. He said, "I've lost a lot of interest. I feel the players today are better off financial wise but the quality of football has deteriorated. I reckon to have played in a better era."

RECOLLECTIONS

"Swindon's first League game game on a Sunday"

Photo: Neil Whatmore hits Bolton's first goal in a 2-2 draw at Swindon in February 1974.

Prior to the exciting encounter at the County Ground a fortnight ago the Wanderers had met Swindon Town just once in either of the major cup competitions.

That came in January 1914 in an FA Cup second round tie at Burnden. The Wanderers, 4th in the First Division, had defeated Central Leaguers Port Vale in the previous round whilst Swindon, leaders of the Southern League, had produced a shock by sending First Division Manchester United crashing out of the competition.

A crowd of 50,558, which was to be the best cup tie crowd at Burnden until 1922, paid £1,657 to witness an enthralling tie. After only nine minutes Swindon took the lead when from a Jefferson corner Batty's header struck the underside of the bar before being glanced in by the same player.

Four minutes later Bolton were level when Joe Smith headed home an Alec Donaldson corner but it wasn't until the 57th minute that Bolton finally

got on top. They then struck three times in 15 minutes to sink the underdogs with Joe Smith completing his hat trick and Evan Jones also finding the net.

There was some consolation for Town who reduced the arrears in the 73rd minute when Batty hit his and his teams second goal.

The first football League meeting between the clubs took place at the County Ground in November 1964 when the Wanderers won 3-1. Francis Lee hit two goals with Wyn Davies also on the mark. The home sides goal came from a John Trollope penalty and this win remains as Bolton's only victory at Swindon.

Whilst the Wanderers come back a fortnight ago was something to remember it wasn't the first time that Bolton have hit back on their visits to the County Ground. In February 1974 the Wanderers came from a two goal interval deficit to earn a point in a Second Division encounter that marked Swindon's first League game on a Sunday. Ray Clarke and Terry Hubbard had put the home side in command before Neil Whatmore hit the target twice for Bolton.

At Burnden the Wanderers have managed just one League success over Swindon in five attempts. That came in December 1973 when a 2-0 win was registered thanks to goals from John Byrom and Neil Whatmore.

Our overall League record against Swindon is as follows:

	P	W	D	L	F	A
Home	5	1	1	3	4	7
Away	5	1	1	3	8	11
Total	10	2	2	6	12	18

Despite the waning interest in running and cycling, 10,000 spectators attended the club's 12th annual Sports Day on the 20th August, 5,000 more than the practice match.

During the previous twelve months £3,343 had been spent on players wages and the directorate decided this had to be reduced by £1,200 in the ensuing year with another financial loss looming. This caused problems with the playing staff. Seven

players left, including Welsh international David Jones, who joined Manchester City. Goalkeeper James Sutcliffe did not resign due to a disagreement over wages and he missed the first two league games before his situation was sorted out, an offer of £5 per week being accepted, whilst ex-Stockport keeper Joe Lee was taking over in his absence.

The only changes at Burnden for the new season was a new coat of paint and an antiquated advertisement on the roof of the grandstand painted out. 7,500 attended the first game, a 3-3 draw with West Brom, Tom Miller equalising for Bolton with the final kick of the game, after they had been three down at half time.

Only two victories in the opening ten games placed the Wanderers in the bottom two. Wolves were beaten 2-1, thanks to a couple of Jocky Wright goals and the game at Stoke, which ended in a

3-2 win for Bolton, was held up for five minutes due to a downpour.

The Wanderers lost 4-1 on their first ever League visit to Newcastle who were at the foot of the table and after a 1-0 home defeat by Bury on December 17th Bolton took over the wooden spoon position.

Three representatives of the club were sent to Scotland with blank cheques and orders to return with a couple of first rate forwards and a full back with only well known men of repute to be bargained for. Unfortunately, they returned with no new signings and everything seemed to be going against them.

On 2nd January the Wanderers were leading Aston Villa by 1-0 when the game was abandoned three minutes into the second half due to rain. The replayed match in April ended scoreless.

After another home defeat, this time by Black-

burn Rovers, the Football Field stated "A team that can't win at home is doomed, the forwards have no sting and the defence lets them down." The players responded by beating Sunderland 6-1 at Burnden in a continuous downpour before only 1,500 spectators.

This was however a flash in the pan as three consecutive league defeats followed as well as an exit from the FA Cup at the hands of Wolves.

During February, Hughie Morgan, an outside left, was signed from Sunderland for £250 and Tom Hynds, a centre half, was recruited from Celtic.

Morgan finished the season as joint leading goalscorer with Albert Gilligan on six goals a piece, but four wins in the last eight games, including victories over cup finalists Derby and League runners up Liverpool were not enough to save the Wanderers from relegation to the Second Division.

The club's first ever relegation was a hard pill to swallow but there were some small crumbs of comfort. Hughie Morgan scored a last minute winner at Preston in the final game of the season to earn a 1-0 win and send the wooden spoon to Sheffield Wednesday who had a point less than the Wanderers.

Burnden Park also hosted a cup semi final replay between Liverpool and Sheffield United that ended in a 4-4 draw and brought record receipts of £740.

The 3rd Round Littlewoods Cup tie at Swindon was one of the best games you could wish to see, with Swindon also producing a first class programme. Priced 80p it had colour all the way through and was also a very good read.

Interesting articles included Record Book (previous meetings between the Club), and Team News, a first class review on the Wanderers. The programme must be one of the better issues in the Second Division and with the superb colour photos inside was tremendous value at 80p.
